

Hello Year 1,

I am loving the messages and photos that you send to me on class Dojo, as well as the work you're completing on Purple Mash, it really cheers me up seeing how hard you are working at home. Last week, I again had the pleasure of phoning you all and speaking to you and your parents. I cannot tell you enough how proud I am of each and every one of you! You are all amazing and so resilient!

Please keep sending me videos of you reading stories! Watching you enjoy reading your favourite books is truly heartwarming. Perhaps try reading in an unusual, fun spot this week – somewhere you wouldn't normally read a book. Under the bed? Up a tree? Where will you go?

Also, I know the weather hasn't been as nice recently, however I still want you to try and get outside for your daily (and now unlimited!) exercise. It is really important for your mental and physical health that you get some fresh air. Even a short 10-minute walk will make you feel so much better!

In a while, crocodile!

Missing you all lots,  
Miss Hassan

## Maths

Keep watching the Bitesize Daily Lesson Videos, remembering to complete the activities in your home learning book. <https://www.bbc.co.uk/bitesize/tags/zipqqp3/year-1-and-p2-lessons/1>

If you would like the White Rose Maths worksheets, we have a school subscription so please just ask on Class Dojo and I will send them across to you. <https://whiterosemaths.com/homelearning/year-1/>

Day 1: Compare length and height

Day 2: Measure length

Day 3: Measure length

Day 4: Introduction to weight and mass

Day 5: Heavier or lighter? Find objects from around your house. Can you compare them using the terms 'heavier than' and 'lighter than' Which is heavier? Which is lighter?

## Reading and writing

Keep up with your phonics learning and watch the daily lessons. Remember this could earn you a certificate! The details are on our virtual School page 😊

This week, we are going to try 'Talk for Writing'

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y1-Unit.pdf>

Day 1: Read the story of Sidney Spider - A Tale of Friendship

You can also listen to it here:  
<https://soundcloud.com/talkforwriting/sidney/s-cFsSqUMech3>

Day 2: Share the story of Sidney the Spider with a grown-up and talk about the story together. Then fill in Sidney's sticky notes.

Day 4: Quiz time!  
Read the 7 questions and answer them with your adult or in your workbook. You may want to read the story again to help you!

Day 3: Read the story together again. Can you work out who said what? Read the quotes and find the answers.

Day 5: Explore some words from the story. Try saying the words in as many different ways as you can. Can you find out what they mean?

We will continue with this unit of work next week, starting with singing Incy Wincy Spider.

## Science

### Superbugs Are you ready to join the fight?

Task 1: Create a mind map of ways we can get sick (eg. touching something dirty)

Task 2: Find out about superbugs and the important steps you can take to stop them and stay healthy. <https://elearning.pfizer.co.uk/superbugs/ks1/>

Think about the different locations below. Rate how clean they are now & anything you could do to make sure that they stay hygienic.

Location	Rate how clean it is now			What could you do to make this area cleaner?
				
In the bathroom				<i>Eg. Wash hands well after using the toilet</i>
In the living room				
In the kitchen				

Join the fight against superbugs now

Listen to us; we'll show you how

Superbugs are hard to eliminate  
We must stop them before it's too late  
They can make you sick when they're inside you  
But there are some things that you can do

Join the fight against superbugs now

Listen to us; we'll show you how

Try to stay healthy and keep yourself clean  
Wash your body and hands until they gleam  
Make sure the places around you shine  
Keep them free from dirt and germs and grime

Join the fight against superbugs now

Listen to us; we'll show you how

If your doc gives medicine to make you better

Follow their instructions to the letter  
And spread the word about the issue  
So everyone knows what they can do

Join the fight against superbugs now

Listen to us; we'll show you how

## PSHE

What will you do when you grow up?

This half term we have been focusing on growing and changing. We have compared the things we have now, to things from the past. Now I want you to look towards to the future. What do you want to be when you grow up? Why do you want to do this? I have set you a 2Do on Purple Mash called 'When I Grow Up' for you to complete this activity. Remember to use the toolkit to help you!

Think About	
Jobs	What job would you like to do when you are older?
doctor	There are a few jobs below but there are lots of other types of jobs that you can do too.

## Geography

By the end of Year 1, you should all be able to name and locate the world's 7 continents and 5 oceans. This week I challenge you to see how much you remember about the 7 continents.

Take the quiz before and after the lesson to see how much you learn from this lesson.

## PE

### CHALLENGE

Can you complete a full week of PE with Joe? Give it a go! Remember the videos stay on his YouTube channel so you can watch them whenever you're ready! Ask your adult to send me a message if you complete all 5 and you might win a certificate.

I'd also love to see some videos / photos of you in action. Maybe take a before and after photo to see how hard you've been working...

Are you sweating? Can you feel your heart beating?

### **Try something new...**

Ping pong story telling!

Write the opening sentence to a story, then someone else writes the next line. Then it's your turn again! Keep alternating until you have a full story.

AND

Give your friends a shout out!

I have set you an activity on Class Dojo... Write a short message on a piece of paper to your friends and then ask an adult to take a photo of you holding your message!

Upload this to your portfolio by Friday 22<sup>nd</sup> May.

I will then collate your messages and post on our class story for all of you to read and enjoy.
