YEAR 5 HOME LEARNING – Week beginning 13/07/20

Dzień dobry to my amazing Year 5 class!

Hello again to my fantastic, incredible, thoughtful, kind-hearted and inquisitive Year 5 class. It saddens me that this is the last time I will be typing these words this school year. It certainly isn't the way I would have wished to have been saying goodbye for the summer, however, being able to speak to you all on Teams and Class Dojo is a close second choice.

Words can't begin to explain how proud you have made me throughout school closures. Your levels of resilience, hard work, determination and persistence to complete work is highly admirable. I always knew you would blow me away with your hard work; however, you have all gone above and beyond and I couldn't ever be prouder.

I hope you all have the best summer! Although it might not be like our usual summer holidays, I'm hoping the sun will shine and we will be able to do many outdoor activities. Please keep yourselves safe and look after your families. I can't wait until September so I can see you all again.

Maths

In maths this week we will be continuing to use the White Rose Hub website. Each lesson will have an accompanying PowerPoint. I will update you all on Class Dojo with links to PowerPoints and worksheets each morning. Please make sure you read and listen to the PowerPoint prior to completing the work.

Good luck, you will be fantastic at this!

<u>Day</u>	<u>Lesson focus</u>	<u>Extra activity</u>
Monday	Lesson 1 - Numbers to one million	TTRS
Tuesday	Lesson 2 - Compare and order numbers to one million	Numbots
Wednesday	Lesson 3 – Rounding numbers to 1 000 000 Teams lesson	Around the world
Thursday	Lesson 4 – Counting in 10s, 100s, 1,000s, 10,000s and 100,000s. Teams lesson	TTRS
Friday	Lesson 5 – Negative numbers Teams lesson	Hit the button

I would like you to use the following link and follow the instructions from the webpage. The focus of this booklet is 'persuasion and advertising'. This week, we will be writing our own persuasive advert as well as some SPaG lessons. I have set out the tasks in the days below. Please see which lessons will be completed on Teams. For all other lessons, you can choose to complete the work in your workbook or on Purple Mash. I will post the name of the 2do as 13.07.20 - Reading and Writing.

Day	Task
Monday	<p><u>Write your persuasive advert</u></p> <p>Use this time to write your persuasive advert to advertise your new school. Write your first 2 paragraphs</p> <ol style="list-style-type: none"> 1. Drawing the reader in 2. Explaining what the school has to offer <p style="text-align: right;">Teams lesson</p>
Tuesday	<p><u>Write your persuasive advert</u></p> <p>Use this time to write your persuasive advert to advertise your new school. Write your last two paragraphs.</p> <ol style="list-style-type: none"> 3. Explain to the reader what will happen if they go to your school 4. Boast about other wonderful things the school has to offer 5. End with a catchy slogan <p style="text-align: right;">Teams lesson</p>
Wednesday	<p><u>SPaG – Using brackets</u></p> <p>Please use this link to the BBC daily activities. The link will take you to a website and it will give you information about using brackets. It also has worksheets linked.</p> <p>https://bam.files.bbci.co.uk/bam/live/content/zjsnscw/pdf</p>
Thursday	<p><u>SPaG – Modal verbs</u></p> <p>Please use this link to the BBC daily activities. The link will take you to a website and it will give you information about modal verbs. It also has worksheets linked.</p> <p>https://bam.files.bbci.co.uk/bam/live/content/z6kybdm/pdf</p>
Friday	<p><u>Sentences about Year 5 using SPaG skills</u></p> <p>In this lesson, you will be asked to create a variety of different sentences based on your time in Year 5. You should write one sentence including a relative clause, one sentence including a modal verb, one sentence including a fronted adverbial, one sentence including brackets or dashes for parenthesis and one sentence with speech.</p>

Since our Teams lessons are Monday and Tuesday, you will not need to write it up in a notepad or on Purple Mash. However, for all other lessons, you should use paper or a notepad or the Purple Mash 2Do to complete your work.

Science

Similarly to last week, I would like you to choose an experiment from the following website.

Choose which experiment you would like to complete and then speak to an adult at home to make sure you are ok to complete the experiment.

It would be brilliant if you could send me some pictures on Class Dojo! Good luck!

PSHE

Since this is our last PSHE lesson of the year, I would like you to think about all of your close friends and how important they are to you. I would like you to write a short message to your best friend and explain why they are so important to you. Spreading kindness is a great way to boost someone's feelings and thoughts. What a great way to end the school year!

Music

As you all know, I love to sing, rhyme and rap. This week in music, since it is the last week of the school year, I would love for you to come up with your own song/rhyme/rap based on your time in Year 5. If you could send me your lyrics on Class Dojo, it would put a huge smile on my face! I can't wait to read them all!

Topic – Time Traveller (This week and next week)

Complete your DT project from last week

As a final DT project to close the topic, I would like you to use some time over the next two weeks to design and create your own time machine. You should initially draw and sketch your ideas in order to create a design for your time machine. Once you have your designs, you can then think

about collecting the equipment needed and finally, creating your time machine! You may wish to google time machines for ideas. I would love it if you could send some pictures of your time machines on Class Dojo.

PE

It is the end of the school year. Therefore, I would like you to become the PE teacher and lead a lesson to your family. It can be a generic fitness session, or you may choose to complete something more specific such as circuits or batting in cricket. Ensure you make the lesson fun and competitive.

Good luck!

Extra challenge ... HAVE FUN

Your extra challenge this week is based all on YOU! I would like you to create your own challenge and send it in to me via Class Dojo. Many of you haven't received the certificate for weekly challenge, therefore, let's see if you can receive it this week!
