

All about the North East Learning Trust

Formed in 2015, the North East Learning Trust is a multi-academy Trust founded by The Academy at Shotton Hall in Peterlee. We are a family of eight schools and we also deliver initial teacher training through our outstanding school-based provider, Shotton Hall SCITT, to ensure new teachers are trained to our own high standards.

All schools in the Trust share a simple, shared vision - **that every child experiences excellence every day**. We are all committed to working together to ensure that every child thrives in a safe, stimulating environment where they develop a deep love of learning that will stay with them for their whole lives.
