

Dear Parent / Carer

I know you are all aware of the current situation regarding Coronavirus this has had implications on our staffing levels. As a result, we have no option but to close Nursery and Reception from tomorrow.

Reception children have been provided with a work pack for them to access some learning on a daily basis. In addition to the pack, please read lots of stories with your children and check out the Hungry Little Minds website for lots of apps.

We are awaiting further Government guidelines with regards to school closures for our remaining year groups.

We are very sorry for any inconvenience this will cause but the health and safety of children and staff is paramount. Please visit our websites and social media accounts for updates on the current position of Sacriston Academy. In the meantime, can we thank you for your assistance in the coming weeks and we look forward to our children returning to school in the near future.

Yours sincerely

Annalei Bartlett
Headteacher
