

Hello Year 2,

I am loving the messages and photos that you send to me on class Dojo, as well as the work you're completing on Purple Mash, it really cheers me up seeing how hard you are working at home. I know that a lot of you will be missing your friends. If you would like to, you can send me photo of you holding a message to all of your friends in our class and I can post it on our class story so everybody can see it. If you could do this by Thursday 4<sup>th</sup> I will be able to put them all together so you can see them all.

Also, I know the weather has been a little bit funny lately, one day it's hot and then the next day it's cold, however I still want you to try and get outside for some exercise. It is really important for your mental and physical health that you get some fresh air. Remember to stay safe outside, if it is hot or sunny you may need to wear a sun hat, some sun cream and drink plenty of water to keep yourself hydrated.

Missing you all lots,

From Miss Watson ☺

<https://www.bbc.co.uk/bitesize/dailylessons>

Continue completing the BBC Bitesize online lessons. Every day complete the maths activities by watching the videos and then either completing the worksheet or just writing the answers in your workbook.

Lesson 1 – 10 times tables

Lesson 2 – sharing

Lesson 3 – grouping

Lesson 4 – odd and even numbers

Lesson 5 – <https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zf4sscw>

Try playing the Karate cats maths game on BBC bitesize by clicking on the link. See how much you can remember by trying the different topics.

Please continue to log onto Times Table Rock stars <https://play.ttrockstars.com/auth/school/student> and practice the times tables that I have set you.

This week we are focusing on verbs and adverbs.

jog draw laugh  
**Verbs**  
cook work sing play

A verb is a doing or action word.  
(This includes 'to be' or 'to have').

<https://www.youtube.com/watch?v=4c6FyuetSVo>

**Lesson 1** – Make a list of all of 6 verbs that you might do during a day. Create your own cards like these ones below by writing the verb and then drawing a picture of it underneath. Can you think of any unusual verbs?

**Lesson 2** – Write a short story telling me about your day. Write the verbs in a different colour or underline them with your pencil once you have finished your writing.

On a morning I **jump** out of bed and do a big **stretch**. I **run** to the bathroom and **brush** my teeth and **wash** my face. Then I **walk** downstairs and **eat** my breakfast. I **exercise** when I **watch** Joe Wicks and have to **lunge**, **hop** and **try** my best.

**Lesson 3** – Ask a member of your family to play 'Veronica Verb says' with you, just like we have played in class before.

Remember it is just like Simon says. When veronica tells you do the verb you have to do it, but when veronica doesn't tell you then you don't have to.

Here are some examples:

- Veronica verb says jump
- Veronica verb says sing
- Veronica very says dance

Write a list of some of the verbs you used to play the game. You could even take some photos or a video and put them on your portfolio on class dojo for me to see.

## Lesson 4 –

[https://www.youtube.com/watch?v=yFPS8yTS\\_Gw](https://www.youtube.com/watch?v=yFPS8yTS_Gw) - Watch the video to remind yourself what an adverb is and how you use them in a sentence to describe the verb.

Can you write your own sentences containing a verb and an adverb?

I have written a list of verbs. I would like you to use them in a sentence, making sure you include your own adverb. I have done the first one for you as an example.

- **Sing** – My sister likes to **sing terribly** when she is in the shower.

I used the adverb 'terribly' to describe how my sister sings.

- Cook
- Fight
- Clean
- Learn
- Hold

**Lesson 5 – Comprehension** - <https://www.youtube.com/watch?v=0jpzjryHrk4>

Watch the video of Mrs Bartlett reading 'Giraffes can't dance'. See if you can find the answers to these comprehension questions. Write the answers to the questions in your workbook.

1. What was Gerald very good at doing?
2. What happened when Gerald tried to run around?
3. Where is the jungle dance held?
4. Why did Gerald feel bad at the jungle dance?
5. List 3 animals who danced at the jungle dance
6. What musical instrument does the cricket play?
7. Why did the animals say that they must be in a dream?
8. What does Gerald say you need to do to be able to dance?
9. How do you think the animals felt at the end of the story?
10. What could have happened to Gerald if he had never met the cricket?

## Geography

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

Watch the video and make a list of all of the 7 continents.

<https://www.youtube.com/watch?v=X6BE4VcYngQ>

Watch this video and make a list of the 5 oceans.

See if you can learn and remember all the names of the continents and oceans!

<https://www.bbc.co.uk/games/embed/education-ivor-pirate-rabbits?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fz6vyf4j>

Play the pirate bunnies world adventure game. Start by clicking on the map to locate the 7 continents. Once you have done that, try naming the oceans by clicking on the pirate's wheel!

## Music

Continue to practice learning your continents and oceans by practicing the songs.

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

<https://www.youtube.com/watch?v=X6BE4VcYngQ>

You can also continue to practice your odd and even numbers by clicking learn to sing the song – Number Crunchers! On Charanga Yumu (your log in details are on our Year 2 virtual learning page of the website). Click on songs for ages 5-7 and then click on launch other songs. See if you can change your singing voice to make it sound silly like the man who is singing the song!

## PSHE

What do you want to do when you grow up?

I have set you a 2Do on Purple Mash called 'When I grow up'.

I would like you to think carefully about what job you would like to do when you grow up and why.

Write me a few sentences telling what job you would like to do and why you think that this would be a good job to have.

I would also like you to think about what you are going to have to do to achieve this job. Will you have to learn more about science, technology or maths? Will you have to practice every day? Will you have to learn a new skill?

## PE

After a week of for half term you could probably do with getting back into a routine! I think that some of you have probably been having lots of lie-ins and not being up and exercising every morning!

This week I would like you to continue to do your PE with Joe Wicks on YouTube. It is live at 9 o'clock every day but you can watch it back at any time so don't worry if you're not up and ready by 9.

If you complete his workout every day of the week and send me the photos you will get one of the ten certificates!

## Art

### Self portraits

The national academy has created some lessons and videos to help you learn at home. Click the link below to take you to a lesson where you are going to learn about an artist called Jane Perkins.

<https://www.thenational.academy/year-2/foundation/to-make-a-self-portrait-using-natural-or-recycled-materials-year-2-wk3-5#slide-1>

Watch the video of the teacher creating her artwork and then see if you can create your own using natural or recycled materials. I am looking forward to seeing photos of your artwork on class dojo!

## Challenge of the week

This week your challenge has been set by Mrs Willis who has been very busy enjoying the sunshine in her garden by planting some seeds to grow her own vegetables.

### Can you help around your garden?

You could help your adult to cut the grass, pull out some weeds, plant some new plants, water the plants or anything else that you adult would like help with in the garden.

Don't worry if you don't have a garden, you can still help by doing things like watering plants in the house and planting seeds in a pot and finding a sunny place to put them.

Can you earn the certificate this week?

Upload your photos to your portfolio on class dojo so we can see your gardening skills!
