

Hello Year 4,

Welcome to our final week of virtual school. I can't believe how quickly this year has gone; it's been crazy! Despite these strange circumstances, every single one of you have made me incredibly proud and it gives me great pleasure to be able to say that I am your class teacher.

This week, I would love it if we could have one last push to upload work onto ClassDojo and complete lessons on Teams (we had our record number last week!). Remember, I love to see your work and follow your learning journeys at home, they really do make me smile.

Have a wonderful week and an amazing summer, you have certainly earned it. Take care.

From Mr Ratton
