20th June 2025

EARLY YEARS- SPORTS DAY

Nursery and Reception had an amazing time during their sports day. The children took part in a super speedy running race, a tricky obstacle course and bean bag balance races. We were so proud of our wonderful children trying their best and having a great time. Thank you so much to all of the parents and family who came to support their children. The children have been talking about sports day for the rest of the week now and especially loved receiving their medals and enjoyed their refreshing ice pops after trying their best.

KEY STAGE 1 AND 2

This week was National Sports Week. National School Sports Week encourages schools, families and organisations to get involved, host the UK's biggest ever Sports Day, and champion 60 minutes of PE, sport and play every day to help all young people be Always Active.

To kick it off, we had an assembly where we learned about Mo Farah, the British long-distance runner. All pupils were given an extra-long playtime to run on the field. We found out about sports talent in our school – both pupils and staff! Pupils were reminded of the benefits of exercise and have excellent explanations as to how running, jumping, catching and throwing can help our bodies stay fit and healthy.

Wednesday was our sports day and luckily the weather was kind to us. Early years enjoyed running, jumping over hurdles and even took part in a mini obstacle course. Main school had a fabulous afternoon in their event with our school House Team, Fire, coming out tops in the points. All pupils enjoyed a well deserved ice pop to cool off afterwards.

Thank you to all of our parents and carers who supported the event. Please enjoy looking at all of the photos below.

In addition, we had an Ultimate Frisbee Day for KS2 pupils.
