

Hello Year 2,

Wow! What an amazing week. It has been such a pleasure to take part in our Microsoft Teams lessons and to be able to give you instant feedback on your learning (when we eventually figured out how you could see it!). Whilst taking part in the lessons, many of you used the chat facility in order to ask questions and even point out a question I had gotten wrong! I hope I was able to help you with your learning. Moving forward, there will be either a maths lesson or an English lesson per day on Teams at 9:30. Please check weekly planning below for more information in **purple**.

As well as joining in with the live lessons, please continue to complete the work I have set for you on Purple Mash and to send me photos and videos of your other work on your portfolio on Class Dojo.

Please remember, the Red or Black challenge is still on-going, as well as certificates. There are 10 different certificates to be awarded. Many of you have received lots already but nobody has managed to get all 10 yet! Remember that there is a certificate for completing Joe Wicks every day and for completing the Read Write Inc. Videos. I will also award the Read Write Inc. certificate for anybody showing me their fantastic phonics through their reading but it has to be 5 times so every day of the week.

From Miss Watson 😊

This week in maths we are going to practice and consolidate our knowledge of subtraction

Lesson 1 (Monday live lesson) – subtracting a one-digit number from a 2-digit number

Lesson 2 (Tuesday live lesson) – subtracting a one-digit number from a 2-digit number (crossing the tens)

Lesson 3 (Wednesday live lesson) – subtracting a two-digit number from another 2-digit number

Lesson 4 – subtracting using the column method - <https://www.youtube.com/watch?v=CYaaxmCoz8>

Use the column method to answer the following questions in your workbook. You could use a different method, such as drawing base ten, to check your answers are correct.

a.				b.				c.				d.				e.			
	3	3			2	5			1	6			2	7			2	9	
-	1	1		-	1	3		-	1	0		-	1	6		-	1	2	
f.				g.				h.				i.				j.			
	2	6			3	2			2	9			4	2			2	7	
-	1	3		-	2	0		-	1	4		-	1	2		-	2	3	
k.				l.				m.				n.				o.			
	2	7			3	8			4	8			3	3			3	9	
-	1	2		-	2	7		-	3	6		-	1	3		-	2	1	

Lesson 5 – subtracting using the column method when crossing the tens.

<https://www.youtube.com/watch?v=qKxQ33KcRWQ>

Use the column method to answer the following questions in your workbook. Remember to always check underneath when adding your tens so you don't miss any ones that have been carried over from adding your ones!

a.				b.				c.				d.				e.			
	2	3			2	6			2	2			3	8			2	1	
-	1	7		-	1	9		-	1	6		-	2	9		-	1	3	
f.				g.				h.				i.				j.			
	3	3			4	4			4	7			3	8			4	1	
-	1	5		-	2	7		-	1	8		-	1	9		-	2	6	

Literacy

This week in literacy we are going to practice and consolidate our knowledge of different word types.

Lesson 1 – Nouns and adjectives

Complete the lesson on the National Academy called 'To identify and use expanded noun phrases using adjectives' by clicking on the link below.

<https://classroom.thenational.academy/lessons/to-identify-and-use-expanded-noun-phrases>

Lesson 2 – verbs and adverbs

Complete the lesson on the National Academy called 'To identify and use powerful verbs and adverbs' by clicking on the link below.

<https://classroom.thenational.academy/lessons/to-identify-and-use-powerful-verbs-and-adverbs/activities/1>

Lesson 3 – conjunctions

Complete the lesson on the BBC Bitesize called 'Using co-ordinating conjunctions) by clicking on the link below.

<https://www.bbc.co.uk/bitesize/articles/zjdxhbk>

Lesson 4 (Thursday live lesson – please complete Lessons 1, 2 and 3 before this live lesson) – identifying different word types

Lesson 5 (Friday live lesson) – Comprehension

PE

Take part in some underwater PE this week with Andy's wild workouts!

https://www.youtube.com/watch?v=TCrFUD98U_Q

PSHE

Complete the online lesson called 'To know why effective hand washing is important' by the Oak National Academy. Complete the quiz and then watch the video and complete the different activities.

<https://classroom.thenational.academy/lessons/to-know-why-effective-handwashing-is-important>

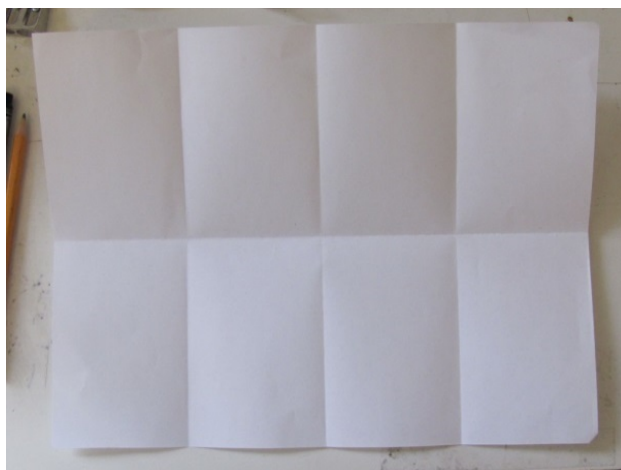

History

Grace Darling

Watch this video to learn more about Grace Darling and to help you to remember what you learned last week. <https://www.bbc.co.uk/teach/school-radio/history-ks2-grace-darling/zkwq47h>

I would like you to retell the story of Grace Darling by creating your own story board. Fold a blank piece of paper into 8 pieces like shown here to create your template. In each section draw a picture to represent a part of the story. Can you write some sentences to go with your pictures?

Science/Design and Technology

I have set you a 2Do on Purple Mash called '**frozen fruit lollies**'. If you are able to, follow the recipe to create your own frozen fruit lollies that you could enjoy in the sunshine. If you don't have a lolly mold, try using an ice cube tray or empty yoghurt pots instead.

I have also set you another 2Do called 'Shopping Tolly'. I would like you to draw the different fruits that you would buy at the supermarket that you would like to try in a frozen fruit lolly.

Art and Design

Drawing skills

Practice your drawing and listening skills by watching these videos and seeing if you can copy them to draw different things you might spot near a beach or in the sea.

Jellyfish - https://www.youtube.com/watch?v=f3z5uEv_ARA

Pirate ship - <https://www.youtube.com/watch?v=cyPPZUuJ6ZI>

Desert island - <https://www.youtube.com/watch?v=1gd3c6uAqms>

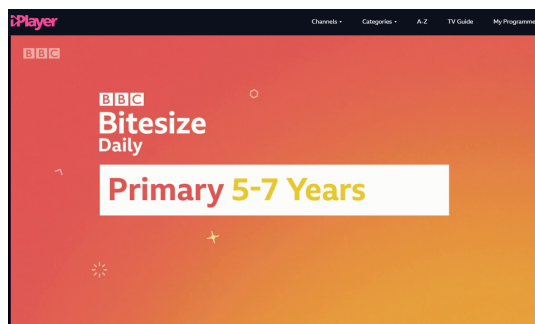

Turtle - <https://www.youtube.com/watch?v=ekr8Lnl6JeU>

Something extra

BBC Bitesize have created some videos with lots of short learning activities. This one I have put the link for has some PE, maths and then some geography. Watch this video and see if you can join in and learn some new things. If you get the chance, watch some of the other videos too.

As the videos are on BBC Bitesize you might need your adult to create a free account to allow you to watch them.

Challenge of the week

What is your talent?

This week's challenge is for our Early Years and Key Stage 1 pupils. You have been invited to enter a talent show. Please send your videos to admin@saristonacademy.co.uk by Thursday noon (12pm). Entries after this time will not be submitted.

The top three in each class will be announced on Friday 3rd July, with a small prize for the winner.
