NURSERY

This week in Nursery we explored the jungle animals and counted 'Five little monkeys' that were jumping on the bed. Children enjoyed role playing this nursery rhyme and enjoyed learning about different kinds of monkeys and what they eat.

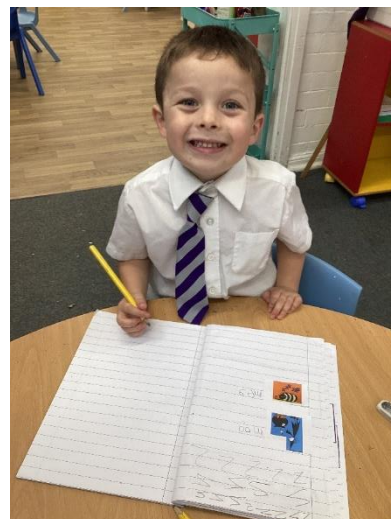

We also learned about the baby Moses and acted out the story of this special baby.

RECEPTION

Reception have been working very hard on their letter formation and spelling this week, we have been working together to label pictures of the characters from our story. The children were listening for the oral blend of 'Meg' and 'Mog' then we worked together, introducing 'Fred Fingers' to write their names next to the pictures.

The children are very proud 😊

YEAR 3

This week, in Maths, Year 3 have been concentrating on addition and subtraction. They have been using Base 10, counters and their place value charts to help them when adding and subtracting 3-digit numbers. The children have worked really hard on this over the course of the week and we have seen them display some fantastic mathematical knowledge over the last few days.

YEAR 4

This term, Year 4 have been learning all about Hinduism in their RE lessons. We discovered that Hindus believe God is present in all living things, which is why they show great care and respect for the world around them. We explored the many different gods within Hinduism and learned that people pray to specific gods depending on their needs. We also found out that many Hindu families have a special place of worship in their homes called a *Puja*, which includes meaningful items used to honour the gods. Finally, we reflected on the Hindu belief in having a duty or purpose in life and had thoughtful discussions about what our own responsibilities might be at home, at school, and in our communities.
