

Sacriston  
Academy

# The Admissions Process

Step  
1

Come into school and experience the magic of Sacriston Academy for yourself. Book a tour by getting in touch with our school office on **0191 371 0777** or **enquiries@sacristonacademy**.

Step  
2

Go to the Durham County Council portal to submit your child's school place application for September. **The closing date for applications is 15th January.** The Local Authority handle all school applications so if any applications are submitted late, your child may not receive a school place.

Step  
3

You're all done! Applications will be considered by the Local Authority after the deadline. School place confirmations will be sent on National Offer Day.

Step  
4

On National Offer Day, if you need any help, please get in touch at **admissions@nelt.co.uk** and we can help.

**Please note:** If you live outside County Durham, you can still apply to our school through your own county's school portal.

We are happy to help you with this process.
